The Alpine Gossip

Where Everybody is
Somebody

We are so thankful for two more precious and healthy babies! Jake and Ashley McCoy are the proud new parents of daughter, Macie Rosemary. Dakota and Samantha McDonald are proud to announce the arrival of son, Johnathan Wiley. Congratulations to these Alpine Baptist young parents.

Brad and Cynthia traveled to Yellowstone National Park and Teton National Park. They saw many wonderful sights and had a tremendous experience. They enjoyed having Bruce Gourley and Johnny Pierce as their guides.

What a fun night we all had at our annual cookout. 40 people enjoyed Brad's grilled hamburgers and hotdogs along with delicious sides and homemade ice cream furnished by those in attendance. Good food and fellowship is just hard to beat! Thanks to all that helped and participated.

The Nominating Committee is meeting the next few weeks to finalize the 2018/2019 church calendar and list of officers, teachers and committees. Please prayerfully consider filling one or more of these positions as they are vitally important to the success of our church. Different committee members will be contacting you about these positions. You may have a desire to help in an area that is different from what you have been asked to do. Please don't hesitate to let any member know of your preferences and/or talents.

The Building and Grounds Committee has the challenging task of getting the church roof repaired which was damaged by strong winds from the recent storm. A contractor has been contacted, and hopefully it will be repaired in the next few weeks. They are negotiating with the insurance company in hopes of getting the whole roof replaced.

Thanks to all who helped with the upholstering of the chairs. They look so much better, however, there are still a few that need new fabric on the backs. This will be tackled at a later date.

Attention all ladies!! We will have Ladies Night Out on Tuesday, August 7 at Old Town Grille in Childersburg at 5:30 pm. Lots of fun and wonderful fellowship.

It's time for school to start, believe it or not! Several area schools will get \$300 gift certificates from Alpine Baptist to help with supplies and such. This is another wonderful ministry that our church does for our community.

Janet Fazekas reports that The Historical Marker Project has been approved by the Deacons to purchase one small marker and two plaques at a cost of around \$2700. The application has been sent to the Historical Commission in Montgomery and we are awaiting their approval. Please consider a generous donation to this project when a Love Offering is taken in the near future.

All ladies are invited to a Gift Card Shower honoring Raegan Camp Wilson who recently married Andrew Wilson. It will be Sunday, August 26 at 2 pm in the Fellowship Hall.

Jamel Roston completed a 13-week training course at the police academy in Anniston. Graduation ceremonies were held July 26 at the Oxford Civic Center. He graduated with 70 other candidates from the state of Alabama and will be employed with the Anniston Police Department. Congratulations to Jamel!
