Jenna Warlick will be home from Mississippi State and speak during morning worship on February 7 to share about her new college life and how the scholarship has benefited her. We are all very proud of Jenna and look forward to seeing her.

Congratulations to **Everett Wofford** on being awarded Good Citizen of the Month at R. L. Young Elementary School.

The Pastor Search Committee is excited to announce that Dylan Rigg will be visiting on February 7 and delivering our message during morning worship. Dylan and his wife, Hannah, have a baby girl and presently live in San Francisco, California. They are originally from Trussville, Alabama. Please make every effort possible to attend and meet Dylan and Hannah and give them that warm Alpine Baptist welcome. There will be an open discussion after worship service to ask him any questions you may have. He may also have a few questions that he wants to ask us. We continue to adhere to all safety precautions. The committee is earnestly seeking God's guidance in this process and continues to need your prayers.

The 40 Days of Prayer guide was handed out last Sunday to all members who want to participate in a deeper look at prayer and study these guidelines for the next 40 days. This is the perfect time to concentrate on prayer considering both this transition in our church and also changes and challenges in our country. Please join us...there are a few booklets left at the church or ask Kathy Ryan for a copy.

The Talladega Parks and Recreation Department recently earned two awards at the Alabama Recreation and Parks Association's annual conference earlier this week. Our own Luke Thomas was there to help accept the awards.

My dear kind Alpine Baptist Church,

Thank you all for your loving kindness and prayers for my son, Gabe. Your prayers have strengthened him. Gabe has 6 to 8 months of rehab. He has gone back to school 2 or 3 days in his wheelchair. Thank God for His love for my son. By His grace, Gabe has survived. God Bless You All, Kip Robinson

Thank you to all that have done the extras in the church building including taking down the Christmas decorations, cleaning and organizing rooms, making necessary repairs and just taking it upon themselves to do what needs to be done. These people definitely have a servant heart and are much appreciated.

We can't thank Tharel and Pam enough for the fabulous job they are both doing during this time of transition. Tharel has a gift of sermon delivery and Pam has a gift of playing the piano and organ, not to mention all the other caring things they do for our church and its members. We are indeed blessed! (Hearing Cathy and Pam play together is spectacular! Both are so talented.)
