The most important part is we were able to raise \$1,763, combined with the yard sale, for our Missions Fund. Thank you to all that helped and participated!

From The Front Porch

Do you remember the three things I told the folks that joined our church recently? I said there are three things we ask of one another as members of Alpine Baptist Church. One, be in worship as often as possible. Two, become friends with others in the church by getting to know others and letting others get to know you. Three, give your resources of time, talents, and money. I want to use my newsletter column this month to let you know me. I listen to a lot of podcasts. One I listen to frequently is called, "Crackers and Grape Juice". Each episode ends with the host asking guests the questions from "Inside the Actors Studio". In what follows, I'm going to give you my answers to these questions.

1. What is your favorite word? Imagination
2. What is your least favorite word? Can't...as in I can't...
3. What turns you on? When people are authentic and honest with one another.
4. What turns you off? When people don't listen.
5. What sound or noise do you love? The sound of a creek in the woods.
6. What sound or noise do you hate? The sound of sirens.
7. What is your favorite curse word? I'll give myself some more time as your pastor before typing this one out..)
8. What profession other than your own would you like to attempt? A high school football coach.
9. What profession would you not like to do? A politician.
10. Since heaven exists, what would you like to hear God say when you arrive at the pearly gates? Come on in, my beloved child.

I look forward to continuing to know you and let you know me. As we do so, we will continue to be the church, or, as one theologian put, "a fellowship of friends."
