Thanks for another great message Tharel, *Banking with God*, and for filling in for Pastor Brad during his absence. We missed seeing Pam.

Brad and Cynthia travelled to Georgia to attend the christening of their new grandson, Luke. Also, they hosted a Memorial Day party at their house to introduce Luke to friends and family.

Alpine Baptist had several unwanted visitors in recent days...a snake in the Prayer Garden, honey bees outside the church walls and then two poor kitty cats that were found dead in the backyard. Have you heard the expression, *it's a jungle out there?* 😊

Thank you to Gary Garner for installing a temporary water faucet near the Prayer Garden. He plans to move it closer to the garden later on.

Dear Hostess Ladies:

Thank you so very much for that wonderful meal and visit after Daddy's funeral service. It meant a lot to our whole family and it was so good to see everyone. It was a special treat during a difficult time for us. Always good to come back home! Thank you again, Gail, Mary, Vivian Ann and David

Dear Alpine Outreach:

Thanks so much from all of us that benefit from your caring kindness.

To my sweet friends and church family,

Thank you so much for the wonderful way you helped me celebrate my birthday. I count myself blessed each day to have such warm and caring friends. You certainly multiply joys and divide sorrows. Each of you is evidence of God's love. You each make the world, certainly my small corner, a better place. You are appreciated!

Love always, Neva
